When basing of original part differs from ECG replacement, basing for original part is shown in parentheses ( ) after the part number. For example, the 2SA509A(ECB) is replaced by ECG159 which has "EBC" basing.

When basing of original part differs from ECG replacement, basing for original part is shown in parentheses ( ) after the part number. For example, the 2SA509A(ECB) is replaced by ECG159 which has "EBC" basing.

When basing of original part differs from ECG replacement, basing for original part is shown in parentheses ( ) after the part number. For example, the 2SA509A(ECB) is replaced by ECG159 which has "EBC" basing.

To Be Replaced	ECG Replacement

When basing of original part differs from ECG replacement, basing for original part is shown in parentheses ( ) after the part number. For example, the 2SA509A(ECB) is replaced by ECG159 which has "EBC" basing.

To Be Replaced	ECG Replacement
